Dear Christine;

Re: Safe Drinking Water Act, O. Reg. 170/03 Schedule 22 Summary Report - 2010

Attached is the 2010 Summary Report for the Keene Heights Subdivision Drinking Water System. This report is completed based on the information we have in our records and in accordance with Schedule 22 of O. Reg. 170/03, under the Safe Drinking Water Act, which requires a Summary Report to be prepared not later than March 31st of each year for the preceding calendar year. This report covers the period of January 1, 2010 to December 31, 2010.

Please remember that any Orders that you have received directly from the MOE should be reviewed. Where non-compliance with the Order is evident and it is not included in the attached 2010 Summary Report, then we recommend that this information be added to the Summary Report. Note: This report is to be provided to the members of the Otonabee-South Monaghan Municipal Council and is not intended for distribution to the Ministry of the Environment. After review and inclusion of any additional information, please ensure this distribution.

On January 26, 2011, the 2010 Section 11 Annual Report for the Keene Heights Subdivision Drinking Water System was submitted to your attention.

Section 12 of O. Reg. 170/03, requires both the Summary Report and the Annual Report to be made available for inspection by any member of the public during normal business hours, without charge. The reports should be made available for inspection at the office of the municipality, or at a location that is reasonably convenient to the users of the water system, as indicated in the Section 11 Annual Report.

If any additions or changes are made to the report, please copy the undersigned for our files.

Sincerely,

Joanne Gibson
