

Recycling

All residents and property owners in the municipality are required to participate in the Recycling program. Curbside pick-up of recyclables is provided by the County of Peterborough – Environmental Services Department.

Please contact the County directly if you have any questions regarding the Recycling program. Contact information for general inquiries is: 705.745.2737 ext. 302; or you can email Heather Wrightly at hwrightly@county.peterborough.on.ca

Cardboard is now picked up weekly on the same day as other recyclables.

A copy of the County's Recycling brochure can be viewed at the County website at www.county.peterborough.on.ca
