2.8 **REFUSAL OF LICENCE**

- 2.8.1 The Dog Control Officer shall refuse any Licence application which does not meet with all of the requirements of this By-law.
- 2.8.2 In the event that a Licence is refused, the Dog Control Officer shall give Notice in Writing to the Property Owner by registered mail or personal service.
- 2.8.3 The Property Owner may apply to the Dog Control Officer in writing within twenty (20) days from the date of notice for a hearing before Council.
- 2.8.4 Upon receipt of a request for a hearing, the Dog Control Officer shall arrange for such hearing at a Council Meeting and a notice of the date, time and location of the hearing shall be given to the Property Owner in writing by registered mail or personal delivery not less than seven (7) days prior to the hearing.
- 2.8.5 Council shall review the application licence together with the Dog Control Officer's reasons for refusal and/or recommendations for conditions to be placed on any licence

and shall hear the Property Owner's or Agent's verbal or written submissions as to how the application fulfils the requirements of this By-law.

2.8.6 Council, upon reviewing and hearing these submissions shall confer on the matter and shall render its decision and reasons therefore. In accordance with Section 239 of the Municipal Act, Council may confer in Closed Session on the matter but shall render its decision and reasons therefore in Open Session.

2.8.7 Council may, in rendering its decision, place special conditions on the licence for a specified time period.

2.8.8 The Dog Control Officer shall give written Notice of Council's decision to the Owner in writing, by registered mail or personal service, within ten (10) days of the decision.

2.8.9 Council's decision shall be final and not subject to further review.

2.9 LICENCING PERIOD

2.9.1 Licences are valid from the date of issue and expire on December 31st, of each year.

2.9.2 Notwithstanding Section 2.7.1 above the Dog Control Officer shall suspend or revoke any licence issued under the authority of this By-law where the Dog Control Officer deems it desirable and necessary.

2.9.3 The provisions of Section 2.6; with necessary modifications, apply to the suspension or revocation of a Licence.

2.10 CHANGE OF OWNERSHIP

2.10.1 Every licensee shall, upon change of ownership of the licence business, return and surrender his/her current licence to the Municipality. The new owner shall make an application for a new licence as set out in this by-law.

2.11 CHANGE OF PREMISE OR LOCATION

2.11.1 Where a currently licenced Kennel or Dog Daycare changes location or premise, such new location or premise shall not be deemed to be licenced. The applicant must immediately make an application for a new licence under the provisions of this By-law and shall surrender to the Township the licence issued in respect of the previous location or premise.

2.12 EXEMPTION FROM DOG TAGS

2.12.1 Upon the issuance of a licence under this By-law, the Property Owner shall be exempt from the purchase of licences, under the Dog Control By-law for the Dogs in a Commercial Breeding Kennel, Dogs in a Private Kennel, or Dogs in a Dog Daycare.

2.12.2 Notwithstanding 2.8.1 the Property Owner of a Commercial Boarding Kennel shall not be exempt from the purchase of licences, under the Dog Control By-law for any dogs owned by the Property Owner unless the Property Owner holds a valid Private Kennel Licence for the subject property and must purchase “dog tags” in accordance with the Dog Control By-law.

2.12.3 Where the total number of Dogs permitted under the prevailing Dog Control By-law or the Dog Owners Liability Act, a Kennel licence is not required under this By-law.

2.12.4 No licence shall be required for the following operations:

- a) an animal shelter operated by or on behalf of a public authority;
- b) a veterinary hospital or clinic;
- c) a publicly funded educational institute; or
- d) any facility in which animals are placed for care pursuant to the Pounds Act.

2.13 LICENCE DISPLAY

2.13.1 Each kennel and dog daycare licence, when issued, shall be posted in a conspicuous place on the licenced premise.

2.14 INSPECTION OF PREMISES

2.14.1 The Dog Control Officer may, at reasonable time, inspect the premises of the Owner or Operator of a kennel or Dog Daycare and the equipment, and other personal property used or kept for hire in the carrying on of the business. Where a Kennel operation is conducted in part in a dwelling unit, the Officer may inspect that portion of the dwelling unit used as the Kennel operation.

2.14.2 For the purposes of an inspection, an officer may,

- a) require the production for inspection of any document or things relevant to the inspection;
- b) inspect and remove documents or things relevant to the inspection for the purpose of making copies or extracts;
- c) require information from any person concerning a matter related to the inspection; and
- d) alone, or in conjunction with a person possessing special or expert knowledge make examination or take tests, samples or photographs necessary for the purposes of the inspection; and,
- e) upon request, a licensee shall provide an officer with medical reports for any animal.

2.14.3 No person shall withhold, destroy, conceal or refuse to furnish any information or thing required by an officer for the purposes of an inspection.

2.14.4 No person shall prevent, hinder or interfere or attempt to prevent, hinder or interfere with an inspection undertaken by an officer.

2.15 KENNEL REGULATIONS

2.15.1 Where the kennel operation is located in part in a building or structure that is separate from the principle dwelling, the kennel owner shall ensure that the following standards are met:

- a) Dogs shall be housed in individual enclosures, except in the case of puppies less than six (6) months of age with or without the bitch, unless the pet owner expresses a specific wish for their pets to be housed together and would not be deemed inhumane to do so.
- b) Each enclosure shall be large enough to permit any dog enclosed therein to move freely and in particular shall permit each animal confined therein to:
 - i) stand normally to its full height
 - ii) turn around easily
 - iii) move about easily for the purpose of posture adjustments
 - iv) lie down in a fully extended position
 - v) enable species-appropriate contact
 - vi) provide bitches with nursing puppies an additional 10% space per nursing puppy
 - viii) provide for the social and behavior needs of the dog
- c) Floors shall be of smooth concrete finish or similar like material and shall be adequately sloped to drains.
- d) Walls shall be non-porous, watertight and easily cleaned and sanitized. Inside surfaces shall be smooth, durable and impervious to facilitate cleaning.
- e) Where floors are on grade, suitable bedding shall be provided in the form of a raised wood, fiberglass or similar platform, large enough for the dog to lie on.
- f) Roof coverings, fastened to sheathing or directly to the roof joists shall be laid so as to prevent the entrance of rodents and vermin into the facility, and covered with suitable materials in order to eliminate leakage and exposure of the Dogs to adverse weather conditions.
- g) Ceilings and walls shall abut closely to prevent crevices which can lead to rodent infestation.
- h) Corners of ceilings, walls and partitions shall be caulked and painted so as to be completely washable.
- i) Proper air circulation shall be ensured to prevent respiratory disease and to avoid the spread of contaminants, viruses, bacteria and molds.

- j) The temperature for an indoor facility shall be maintained at a minimum of 10°C with a maximum of 27°C. Temperatures shall be suitable to the breed, coat length, age and condition of the dogs housed in the Kennel.
- k) Outside exercise facilities shall be provided which shall be fenced and maintained in such a manner as to keep the Dogs securely enclosed. Outside exercise runs shall be large enough for Dogs to break into a trot and provide protection. The exercise running surface must be safe and not slippery, and free from debris that could cause injury or damage to the dog. Each dog shall be placed in such facilities at least twice in every 24-hour period for a duration appropriate to the weather conditions. The outdoor exercise facility shall be kept in a sanitary manner.
- l) No dog shall be placed in an outside exercise facility in inclement weather.

2.15.1 Notwithstanding 2.11.1 where a kennel forms part of the principle dwelling unit on the property, and where enclosures are provided for the dogs, the standards described in Section 2.11.1 (a) through (l) inclusive, shall apply to those enclosures.

2.16 Every Kennel Operator shall maintain the kennel in a clean and sanitary condition at all times. In particular the Kennel operator shall ensure that all excrement, refuse and other objectionable material is removed from the cages in the kennel area at least twice in every twenty-four (24) hour period including weekends and from the premises once per week in an acceptable manner. The Animals shall be removed from the cages and kennel area while the area is being cleaned.

2.17 Every Kennel Operator shall ensure that all dogs are provided with an adequate source of clean, fresh drinking water available to them at all times, and adequate, nutritional and contaminant-free food capable of maintaining the dog in full health and vigor is provided. Food storage bins must be covered, vermin proof and properly marked. Food, dishes and utensils shall be stored in a clean and protected area.

2.18 The whelping are shall be separated from the individual and/or group kennel enclosures housing other kennel dogs, thereby providing the whelping bitch privacy.

3.0 **KENNEL MANAGEMENT**

3.1 Every kennel owner shall provide adequate, regular supervision and efficient knowledge health care controls to ensure no harm comes through the association with incompatible dogs, sick dogs or other adversarial animals or vermin.

3.2 Every operator of a boarding kennel shall maintain kennel records for each dog boarded at the kennel. The record shall include: the dog's name; tattoo or microchip number, the owner's name, address and contact number; and emergency contact number; a daily health record of the dog including any meds or other health issues; documentation respecting any behavior incidents. These records shall be maintained for a minimum of six (6) months from the date of the stay at the kennel.

- 3.3 Every operator of a breeding kennel shall maintain records including; breed, sex, date of birth, the sire and dam, tattoo or microchip number, colour and markings. Individual records shall be developed by the time the litter is weaned and shall include medications, vaccinations, and examinations for internal and external parasites and the results thereof.
- 3.4 Every kennel operator shall have an established rapport with a local veterinary hospital to deal with emergencies that may arise from time to time.
- 3.5 Every kennel operator shall maintain written dog care procedures and such procedures shall be readily available to all kennel personnel at all times. These procedures shall include method of handling kennel sickness, injury or death, back-up transportation, and a list appropriate phone numbers for the Dog Control Officer, Human Society and the veterinarian.
