EMAIL:

REASON FOR ENTRANCE:

New Home

Note: Building permit will not be issued until entrance approved by public works. Entrance to be approved by public works prior to final inspection being granted.

Second Entrance

New Farm Entrance

Improving An Existing Entrance

LOCATION:

ROLL NUMBER:

LOT, CONCESSION & WARD:

REQUIREMENTS OF OWNER:

1. Entrance permits must be submitted to the township for review and approval by Director of Public Works.
2. **Site plan must accompany the application clearly showing the proposed driveway entrance & distances from two side lot lines. It is the owner's responsibility to mark or stake the proposed entrance to ensure accuracy of location for purposes of inspection to facilitate the issuance of this permit.**
3. (a) Entrance may be subject to the requirement of an ORCA permit or approval of location by ORCA.
(b) Owner is required to contact ORCA Regulations Staff at otonabeeca@otonabeeconservation.com
(c) If an ORCA permit is determined to be required, it must be received by the township prior to any work being completed.
4. If culvert required, it shall be a minimum width of 9 meters (30 feet).
5. Entrance permits related to new dwellings: The building permit for a new dwelling will not be issued until the Director of Public Works has approved the entrance permit.
6. Upon the Entrance being completed, contact the Municipal Office to schedule a Final Inspection.
7. Once approved by OSM, the deposit will be returned.
8. If an ORCA permit is required, this document shall also be submitted as part of the building permit package.
