

Curbside Collection:

Curbside collection for all residential and commercial properties is provided through a contract with M & M Disposal Services. The cost for curbside collection is \$30.00/year and is included in your municipal tax bill. Collection takes place on all municipal and private roads that are maintained in a year round passable condition.

Contact information for M & M Disposal Services:

1513 County Road #4
Warsaw, Ontario
K0L 3A0
705.652.3505

Days for collection:

Tuesday: South side of Hwy #7 at Drummond Line to Rice Lake, and east to Cameron/Birdsall. Both east and west side of Drummond Line will also be done on this day.

Wednesday: South side of Hwy #7 at Drummond Line to Rice Lake, and west to County Rd #28 (not including Drummond Line).

Friday: North side of Hwy #7 and all the area north of Hwy #7 to Division Road.

Curbside Collection – General Information:

- Household garbage only – **no recyclables, no construction waste and no garden waste.**
- Garbage should be set out by 7:00 a.m. to avoid missing collection.
- Place garbage at the end of your laneway unless requested otherwise by the contractor.
- **Garbage bags put out overnight and broken into animals will be the occupant's responsibility to clean up.**
- Please ensure that all containers are removed from the roadside by 8 p.m. the day of collection.
- Garbage collected is disposed of at the Peterborough County/City Landfill on Bensfort Road. A fine and possible loss of dumping privileges may occur if you include recyclables in your garbage.
- M & M Disposal Services may place a sticker on your garbage bag/container explaining why it wasn't picked up (i.e. contains recyclables or bag too heavy, etc).

Container/Bag Limit:

- Two (2) bags/containers per single residential dwelling.
- Two (2) bags/containers per unit in a multi-residential dwelling.
- Four (4) bags/containers per business or commercial operation.
- Six (6) bags/containers per business with separate dwelling on site (i.e. resorts)

Container/Bag Size:

- Bags will be standard 30 x 38 in. (76 x 96 cm) size and a 1.5 gauge thickness. Bags must be securely fastened at the top.
- Containers shall have a secure lid, be water tight, have suitable handles and shall not exceed a height of 30 inches (76 cm) or a diameter of 18 inches (45 cm).
- Bags/containers shall not weigh more than 30 pounds (13.5 kg).
- Oversized bags or containers will be counted as two (2) or not picked up at the discretion of the contractor.

Please call **M & M Disposal at 705.652.355** if you have any questions regarding your curbside garbage pick-up.

IN THE INSTANCE OF SEVERE WEATHER, GARBAGE WILL BE PICKED UP LATER THE SAME DAY OR THE FOLLOWING DAY.
