

September 9<sup>th</sup>, 2019

**RECOGNITION FOR FIRE INSURANCE GRADING RECEIVED**

*Township of Otonabee-South Monaghan*

*Otonabee-South Monaghan Department of Fire and Emergency Services*

**Superior Tanker Shuttle Service - Accredited**

I am pleased to advise you that the above-mentioned fire protection district within the province of Ontario has been maintained in the fire insurance grading index as being accredited for the delivery of Superior Tanker Shuttle Service.

The requirements for this accreditation are stringent and verify that the fire protection district is capable of delivering the minimum accepted fire flows to detached dwellings throughout the fire protection district and within 8 kilometres (km) by road of the below accredited Fire Stations. This accreditation is an equivalency to the minimum requirements for hydrant protection, as set out by the insurance industry and Fire Underwriters Survey.

Fire Underwriters Survey has provided information on fire protection and risk levels to the insurance industry in Canada since 1883. Fire Underwriters Survey was previously operated under the auspices of the Insurers Advisory Organization and CGI; however, is now operated by SCM Opta Information Intelligence.

Should you have any questions or concerns related to Fire Underwriters Survey, the Superior Tanker Shuttle Service Accreditation process or any other related area, please contact the offices of Fire Underwriters Survey for further information.

Please note that this accreditation expires on September 9<sup>th</sup>, 2024 and is valid for the following fire stations:

- Otonabee-South Monaghan – Fire Station #1 – 21 Third Street, Otonabee-South Monaghan, ON K0L 2G0
- Otonabee-South Monaghan – Fire Station #2 – 2016 Bensfort Road, Otonabee-South Monaghan, ON K9J 6X7
- Otonabee-South Monaghan – Fire Station #3 – 535 Third Line, Otonabee-South Monaghan, ON K0L 1B0
- Otonabee-South Monaghan – Fire Station #4 – 411 Hiawatha Line, Hiawatha First Nation, ON K0L 2G0

Personal Lines Fire Insurance Classification – DPG 3B(S) – Flow Rate of 248 IGPM
