Tree Planting at Otonabee Court Senior's Residence

You are receiving this letter as your property is near Otonabee Court Senior's Residence located at 35 Pinecrest Avenue, Keene.

Otonabee Conservation, in partnership with the Township of Otonabee-South Monaghan and the Otonabee Court Senior's Residence will be planting a variety of trees and shrubs to enhance habitat and increase biodiversity at Otonabee Court in May and September 2026.

The trees and shrubs selected for this project are native species, including Eastern Redbud, Ninebark, and Serviceberry. These native species are going to replace the invasive Buckthorn that was removed in 2025. Volunteers for the tree planting events will be parking on the street and will be advised to be aware of children and residents when moving their vehicles.

Should you have any questions or concerns related to this planting project, please contact us. We are happy to answer any questions you may have.

Sincerely,

Candace Clark
Team Lead, Monitoring Programs
